Attention: Members of the SA Polo Association Polo Cancellation for Preventive and Safety Measures: Coronavirus

Dear Members,

As per the directive from the Secretary General of the SAEF, Wessel Strauss, the South African Polo Association Executive have made a difficult decision to suspend all polo tournaments in South Africa, with immediate effect, until further notice.

This is currently a fluid situation and any changes will be communicated to our Members via email, our website and Facebook page.

We are sure that many of you share our concerns regarding the effects of this illness which has turned our world upside down. May we take this opportunity to wish each of you a Happy Easter, stay safe and healthy during this international crisis and let us all work together as a community of fellow South Africans to limit the spread of this virus.

If you have any further questions, please contact your Provincial Chairman.

Regards

SOUTH AFRICAN POLO ASSOCIATION EXECUTIVE
